Note

Re Director, Social Welfare told me that the matter was very urgent as the work of putting up the houses has to be completed by 31.3.57.

2. At the rate of 50 c.ft. per house, sanction for 600 c.ft. for 12 houses is sought. The timber asked for is of single-wood species for the Cattle sheds. These are houses to be constructed mostly in remote places either within or adjoining Reserves for the single Trees, who are mostly Forest Labourers and hence useful to the Department. Besides, in the remote Corners there is no appreciable demand for the single-wood species. It was usual for Govt of Coorg sanctioning to sanction timber free of cost in such cases & a number of houses were built during the past 2 years.

3) In the Special circumstances, orders may be issued permitting the removal of not more than 600 c.ft of single wood timber for 12 houses from the Reserved Forests of Coorg with consent of the D.F.O.

Fin. Dept.
14/2/57.

5) The Rules relating to grant of timber to deprived classes referred to above evidently relate to old Mysore State. The timber is required by Director Social welfare, for Construction of houses in Coorg. 2 have not got to Coorg Branch Tunnel. But I know in Construction of Tunnels is empowered to grant timber free of cost upto about Rs 200/- or so & above this amount it has to get Govt. The Govt has inherent power to grant timber free of cost in Coorg. Govt was freely granting such concession as I know. The timber asked for is jungle-wood & not of value here & in the region it has no value, as there are vents the deck of the places. Mr. C. B. Shankara Iyer is pressing for urgent orders. Like the above explanation, the F.D. may kindly consider grant of concurrence, as the timber is often all from the activities of a Sister Dept.

14/2

6) 746/W How can we? I act unless without rules on hand. We have to look into the provisions & rules. Any section may get a copy & place it, there

will record in Nothing.

AR 16/2

U.O.R. to A&F.D. on 16-2-1957.

1) The Coorg Forest Manual is forthcoming. At page 59, under Rule 10 (3) the District Commissioners are granting free timber worth upto Rs 1000/- in each case for public purposes or in other exceptional circumstances. The Conservator has similar powers but to much restriction. I am unable to secure it and there is no chance of securing it readily.

2) But in this case, orders are sought of the Govt for free grant & thereby Govt has inherent power to grant such requests. But all such grants in the Ex-State of Coorg (i.e. exceeding in value of Rs 100) were being sanctioned by Govt & for the tribal persons constructing during 1955, free jungle wood has been allowed to be used by them, as I personally know.

3) With the information, if concurrence can be given it may be considered

Supply of timber for construction of 108 houses in Coorg area from Forest-

File No. AFD [illegible] of 195 7

App. F. III 2

(6)

Serial No.	
	AFD 2 GTTS 57
17)	Letter No. SW3-687/56-57, dated 19-4-1957 from the Director of Social Welfare, B'lore requesting that sanction may be accorded for supply of timber for construction of 108 houses in Coorg area, instead of 12 houses which was mentioned through over sight.
18)	Under the circumstances the modified draft G.O. may kindly be signed if approved. MS 24/4/57
19)	The Dir's previous recommendation was only for 12 houses. He now states that the ruling should be given for the entire 108 houses. The difference, he accounts for, is due to over sight. In view of the minute of the M (Agri) dated 1.4.57 I propose it will not be proper to accept the Dir's proposal without scrutiny.
20)	The Dir may be requested to implement the orders already issued and then submit specific proposals with detailed justification for the quantity of timber for the construction of houses (108-12) 96 having regard to the observations contained in G.O. No. AFD 2 GTT 57 dated 16.4.57. S.V. Parulekar 27.4.57 D.S.
